LANDSCAPE CHARACTER NOTES
This Low maintenance garden has been designed to suit contemporary lifestyles & Melbourne's unique climate, with predominant planting selections in Australian native species. A resurgence of diverse textural colour and shapes change in character through the seasons. The warmth of timber harmonises with natural sandstone. Plant selections create a dynamic visual impact contrasting silvers and rich rocs, blending with hard landscape elements such as sandstone & beautiful hardwood decking. An abundance of light dreamy pebbles & green areas

ELEVATED ENTRANCE PLATFORM
IN RECYCLED RAILWAY SLEEPERS ALLUDES TO AUSTRALIAN VERNACULAR PLANTING AS IT WEAVES THROUGH GRASSTREE ROCKERIES OF DELATITE RIVER PEBBLE.
